## Certificate programme International Business:

In this general-orientated programme students gain insights into the basics of business administration and statistics as well as into the challenges for companies in the context of international business using practical examples. This 30 ECTS programme is for international students with low business studies experience. It is designed for bachelor degree students, but is also open to Master students.

An additional "German Language Course" can be seelcted in the Center of Communication Studies (CCS) and will be individually leveled from A1-C1. The lectures will determine the corret course for international students on arrival.

The International Business programme has a restricted number of participants.
