Quick Facts

Spending a semester at RheinAhrCampus in Germany is a life-changing adventure.

Experiencing a new academic environment and culture helps you grow both personally and professionally. Whether you're learning a new language or improving your business skills, you'll gain fresh perspectives and challenge your thinking.

We have 25 years of experience hosting exchange students and lecturers from our partner universities, so we know how to help you adapt to life in Germany, achieve your academic goals and enjoy your semester at the same time.

Once you have been nominated by your home university, we will guide you through every single step of your pre-arrival process, including the submission of your registration documents, your course choices and the organization of your arrival in Remagen.

When you arrive, we will help you find your way around campus and make the most out of your stay in Germany, as you embark on your unique learning journey at RheinAhrCampus.

A Difference to YOUR Life

A Difference to RheinAhrCampus

Opportunities

- ▶ Combine academic classes with hands-on experience through a part-time internship
- ▶ Study and work in an exceptionally international environment with peers and lecturers from around the world
- ▶ Discover global traditions through campus-wide cultural events
- ▶ Practice new languages with local students in our Language Tandem program
- ▶ Work on real projects with international teams and perspectives

RheinAhrCampus is a friendly and welcoming community with nearly 3,000 students. Located in Remagen, the campus was established in 1998 as part of Koblenz University of Applied Sciences to offer forward-thinking degree programmes in Business & Social Sciences and Mathematics, Informatics & Technology.

Our campus has expanded while staying true to its mission: delivering first-class education in an innovative and supportive environment.

Our teaching blends academic theory with practical experience, preparing students for real-world careers. Role-plays, simulations, and hands-on projects are at the heart of our learning approach—encouraging collaboration and above all: critical thinking. At RheinAhrCampus, students and lecturers work together as partners and fellow-travellers in their learning journey.
