

Familien-Bande

**Consulting  
Assistance  
Care**

### **What are we doing?**

- we support pregnant women, mothers and fathers and their children, which have problems with health, social or psyche
- we make house calls during pregnancy, after birth and during the first year of the baby

### **Whom do we support?**

- the offer is for free if one of the following requirements is fulfilled:
  - underage mothers
  - mothers with handicap
  - parents with multiple birth
  - parents with ill or handicapped children
  - mothers who are emotionally burdened
  - parents with babies that don't stop crying
  - families with difficult financial or social situations
  - and other problems
