

**ERASMUS Learning Agreement and Course selection at RheinAhrCampus,  
Remagen for students from  
European partner universities (KA103)  
Non-European partner universities (KA107)  
Courses and Learning Agreement:**

Dear incomings students,

Before your arrival here, you need to complete what we call a "Learning Agreement" between your university and our university. The list of courses in English is found at <http://www.hs-koblenz.de/rac-english>

You can click on each course to read its syllabus.

There are prescribed courses for all exchange students, already included in the Learning Agreement (*Table A Before the mobility*) you will receive via Email, and you can add more courses from the list. These courses will boost your employability in international contexts while allowing you to reflect and add value to your international experience at RheinAhrCampus.

**4 Prescribed courses for the Summer Semester (March to August)**

- B258 International Studies I
- B002 Competence in German
- B261 Intercultural Communication

**5 Prescribed courses for the Winter Semester (September to February)**

- B258 International Studies I
- B002 Competence in German
- B003 Managing Cultural Diversity
- B261 Intercultural Communication

**Please note that we require students to take a minimum of 30 ECTS.**

If you have enough German language proficiency, you can take any course from our course catalogue: <http://www.myrac.de/syllabus>. In this case, you don't have to take the course Competence in German, as your German would have already been good enough to take courses in German. If you are unsure about your level of German, you may also take a digital German Language Placement Test for Exchange Students prior to your arrival. We will create an OpenOLAT account for you if needed.
