THE DURBAN UNIVERSITY OF TECHNOLOGY (DUT) IS THE FIRST CHOICE FOR HIGHER EDUCATION IN KWAZULU-NATAL (KZN).

The university is located in the beautiful cities of Durban and Pietermaritzburg and has approximately 30 000 students. DUT prioritises the quality of teaching and learning through ensuring the highest quality of academic staff. With an extensive range of degree programmes to choose from, award-winning staff, and high-quality teaching, the University is home to some of the nation's best and brightest scholars. The Times Higher Education ranked DUT in the top 5 of all South African universities and in the top 500 of World University rankings in 2021.

With easy access to Durban's famous beachfront, the Drakensberg Mountains, many important historical sites, stunning wildlife, and one of Africa's most important trade and industry hubs, DUT students receive an education that extends well beyond the university's walls.

DUT STUDENT EXCHANGE PROGRAMME

DUT offers a well supported exchange programme which has been in existence since 2008.

BENEFITS

World Class Education

Credit Transfers

Intercultural Interaction

Visit to a rural village

Improve your English skills

And so much more....

SEMESTER DATES

First Semester – February to May/June

Second Semester – July to October/November

Exchange students are welcomed each semester, facilitated by the International Education and Partnerships (IEP) office. Exchange students are able to choose modules through our different faculties while immersing themselves into the vibrant cultural environment DUT has to offer.

The IEP office provides the exchange students a broad spectrum of services designed to enhance their semester abroad and ensure the full benefit of this international experience. The IEP has experienced staff who will assist students with visa applications, accommodation, medical aid and general logistics to ensure that the process is hassle free.

ORIENTATION PROGRAMME

An orientation programme is arranged to familiarise the students to DUT and living in Durban.
